## Las Vegas

One night in Vegas is not sufficient to pay homage to "Sin City." But, this isn't a city that caters just to socialites and gamblers. Schedule with us a few extra nights and enjoy one of the many amazing shows, activities or events. There are so many things to do here, with just a little imagination; you could knock of 5 or 6 bucket list items!

**Optional Activities:** Check out a show! \$\$Price Varies\$\$, Drive an exotic sports car! \$200-\$400, Indoor Skydiving \$85 and much more

## Grand Canyon National Park

The Grand Canyon is one of the "Seven Natural Wonders of the World." The Grand Canyon is 277 miles (446 km) long, up to 18 miles (29 km) wide and attains a depth of over a mile (6,000 ft / 1,800 m). While exploring this natural wonder, you can see the California Condor, petroglyphs, rocks up to 2 billions years old, and stunning geologic formations. Along with hiking this wonder, you will get admission to the IMAX Grand Canyon, "The Hidden Secrets" movie to show you another perspective of the canyon.

**Included Activities:** IMAX Grand Canyon, Hikes either along the rim or down to Plateau Point

**Optional Activities:** Helicopter Flights \$270

---

## Monument Valley

Monument Valley has been the focus of many movies and commercials. The iconic mittens, spires and mesas lie within the Navajo Nation. After the "Long Walk" wrongful imprisonment of the Navajo people, this semi-autonomous nation was created to give these people their own land. Now, they have created the Monument Valley Navajo Tribal Park for tourist to appreciate their culture and traditional homes.

**Included Activity:** Walks and Scenic Drive at Monument Valley, local guided tour through National Monument.

## Arches National Park

One of the five national parks in Utah, Arches National Park is home to over 2,000 naturally formed arches. Along with the amazing hikes to Delicate Arch, Devil's Garden, and Balancing Rock, there are an excellent selection of optional activities. Moab is known to have some of the world's best mountain biking trails. The so-called "slickrock" sandstone, which forms the majority of the trail's surface, is not slick at all, but has a surface much like sandpaper. The rubber tires of a mountain bike or off-road motorcycle will grip readily to its surface on even the steepest hills.

**Included Activities:** Hikes and Scenic Drives in Arches NP

**Optional Activities:** Hummer Tours, Mountain biking, Scenic flights, High ropes course, and Hot Air balloon

---

## Rocky Mountains

As the Colorado River carves through the Rocky Mountains, so will we exploring the quaint ski towns, hot springs and mountain passes. Colorado's peak fall foliage awash in picturesque tones of orange, yellow and red is usually from mid-September to mid-October.

**Included Activities:** Walks and Scenic Drive

**Optional Activities:** Hot Springs

## Denver

Denver may be a major city in the US, but it has such a relaxing feel with its world class museums, music venues, and even a down town amusement park! Sitting on the terrace of one of the many excellent breweries or watching a baseball game from the "Rock pile", the Rocky Mountain foothills are always in your view as we finish up the adventure.

**Included:** Denver City Tour

**Optional Activities:** Denver Beer Fest, Fright Fest at Elitch Gardens, Possible Denver Broncos Football Game
